

Windows taskbar and system tray area showing icons for Windows, Search, Task View, Edge, File Explorer, Telegram, Chrome, and a red icon. System tray includes network, volume, and language indicators, showing ENG and 21:54.

Windows taskbar and system tray area showing icons for Windows, Search, Task View, Edge, File Explorer, Telegram, Chrome, and a red icon. System tray includes network, volume, and language indicators, and the time 21:57.

The screenshot displays the Swagger Client application interface. On the left sidebar, the 'My Workspace' section is active, showing a collection named 'petstore' which is currently empty. The main panel shows a REST client request configuration for a DELETE method targeting the URL 'https://petstore.swagger.io/v2/store/order/9223372036854327369'. The request body is set to 'raw' and 'JSON'. The response section at the bottom shows a successful '200 OK' status with a response time of 612 ms and a body size of 387 B. The response body is displayed in a 'Pretty' JSON format, showing an error object with a 200 code, an 'unknown' type, and a message containing the order ID.
